ABC MASTER CARE

A Range of High Quality Easy Access
Shower and Bathing Solutions

Fully Fitted and Exclusively offered by the
Aylesbury Bathroom Centre

Introduction

Aylesbury Bathroom Centre has been installing fabulous, high-quality bathrooms in homes across Buckinghamshire for over 16 years and have earned ourselves a reputation for excellent service and outstanding workmanship.

We are firm believers that the bathroom should be a tranquil place where you can relax and unwind in comfort and safety – To support this we now offering a range of easy access bath & shower solutions to meet every need. As part of our service a free home consultation and fixed price quotation is included as standard.

With a fabulous range of tiles and bathroom products from some of the leading industry suppliers we really can offer a bathroom solution for every budget

Chris Shave, General Manager

Time for Change

Individual circumstances or requirements can change suddenly meaning the bathroom is no longer a safe haven to enjoy and relax in, but a constant source of struggle or frustration – Often mobility isn't quite what it was and an alternative easy access bathing option is now your priority.

Some of our customers just wish to safeguard for the future?

Whatever your bathing, showering or access needs we can help. By offering a comprehensive selection of quick fix solutions with a range of fixed price packages that allow you to choose the quality and specification that will suit you best.

It couldn't be easier than ABC

Baths are out... Showers are in

Our most popular transformation package that allows you to swap your current bath for an easy access shower in double quick time and without the need for a complete bathroom renovation.

Installing a large 1600 or 1700mm shower tray in place of your bath, with a thermostatic shower, waterproofed walls and finished in a range of

stunning natural looking shower panels. This option can be installed to provide either a fully enclosed cubicle or a luxury open access walk in shower.

- Pic Walk in with built in seat / cubicle with built in seat
- 1600 Double door / single door slider
- 1600/1800 full walkin with panel and flipper

Sometimes only a bath will do

A RANGE OF WALK IN BATHING SOLUTIONS

How about changing your current bath for a walk-in option – Our range of fabulous low access baths can completely transform bath time and provide an easily accessible bathing alternative for those with limited mobility.

- Sit-up or lie down models available.
- With a selection of seating and mobility aids.
- Rapid-fill and fast drainage options if viable
- Walk in bath with overhead shower options to give you complete flexibility and choice
- Includes all fittings, Installation, wall replacement and waterproofing

Bigger or Better...

SHOWER CUBICLE UPGRADES

Is the door configuration or size of your current shower cubicle making access and movement an issue? We can replace cubicles and offer a more suitable configuration or increased access space. Aylesbury Bathroom Centre has access to one of the widest ranges of shower cubicles in the country. With a selection of door configurations, sizes, fold down seats, shower valves, bespoke options and even limited space wheel chair friendly enclosures we can certainly offer a larger or easier access shower cubicle complete with all installation, materials and parts. Worried that tiles won't match or existing screw holes will be left showing? Don't worry we have a solution for that too...

All Change...

COMPLETE BATHROOM REFURBISHMENTS

For the ultimate transformation we can completely redesign your entire bathroom using every trick in the book to maximise space, improve access/ mobility and futureproof your bathroom for many years to come.

Our fully inclusive and comprehensive design service* provides a home consultation and survey, followed by professionally produced design proposal. Installations are fully inclusive and include the supply of all fittings, furniture and installation – with no hidden costs.

Walk in baths and showers, comfort height WC's, easy use taps and showers. Easy access storage, Wheel chair friendly access are just some of the options we can incorporate into your new bathroom.

*Design service offered on full bathroom refurbishments only

Complete peace of mind

Aylesbury Bathroom & Tile Centre uses a team of highly experienced fitters on all installation projects.

All projects are overseen by an Installation Manager with a named central contact always on call during office hours.

Our installation work is fully guaranteed. We only supply and install quality branded fittings and materials on all projects.

We are a 'one stop shop' - we supply everything, install everything, check everything and then we add a comprehensive warranty for added reassurance.

Mobility bathrooms may qualify for Disability Grants – Please ask us for information

We are more than happy to liaise with family members with regards to property access, safeguarding and product selection.
